

SPRING FLING 2009

RIDE GUIDE

March Break memories are created at *Rogers Centre* during Spring Fling 2009. This year's event features 18 rides perfect for young kids and youthful parents at heart. Various games of chance and traditional carnival fare are also available. Affordable family fun is yours; all under one roof.

HAMPTON RIDES

Bikes
Boats
Cars
VW's

Perfect for children who are experiencing the thrill and atmosphere of a carnival for the first time.

Riders must be between 32" and 54" (2'7" and 4'5" ft).

BUMBLE BEES

Children fly through the air in delight with subtle movements up and down while spinning round and round.

Riders must be 42" (3'5" ft) and over unless accompanied by an adult.

MONKEY MAYHEM

Youngsters, and parents alike, will spin round and round in amusement while experiencing the thrill of a first carnival ride.

Riders must be 36" (3 ft) and over unless accompanied by an adult.

DIZZY DRAGONS

Dragons are not scary at the carnival. Sit in their belly and spin around in glee.

Riders must be 36" (3 ft) and over unless accompanied by an adult.

TRAFFIC JAM

Whether you are a driver or passenger, Traffic Jam is fun for the whole family. Sit back and twist in delight.

Riders must be over 36" (3 ft) unless accompanied by an adult.

COBRA COASTER

You are never too young to try your first roller coaster. With this ride, kids will experience highs and lows, twists and turns.

Riders must be 36" (3 ft) and over unless accompanied by an adult.

CUCKOO HOUSE

No need to wait for Halloween to have a little Fun House style excitement.

Walk through the multi-level attraction and see if you can avoid screaming in delight.

Perfect for children and adults of all ages.
Riders must be taller than 27" (2'3").

MERRY-GO-ROUND

Nothing is more traditional at a carnival than the simple fun of the circular motion of the merry-go-round.

Riders must be able to sit upright (unassisted) and hold on with upper body strength.

CENTURY WHEEL

Have a seat in the traditional Ferris Wheel bucket and enjoy a leisurely ride high above the fair grounds. Perfect to help you catch your breath in between all the carnival excitement.

Riders must be over 42" (3'5" ft) unless accompanied by a chaperone.

FUN SLIDE

Grab a potato sack and zip down the slide in sheer delight. Parents and children race down the three lane slide while the wind blows through your hair.

HANG GLIDER

Feel the wind through your hair as you fly around Rogers Centre with your arms and legs dangling beneath and behind you.

If you are looking to add a little thrill to your day, this is for you.

Riders must be 48" (4' ft) tall unless accompanied by a chaperone.

SCRAMBLER

If you are looking for carnival adventure, this ride is for you. Spin quickly through the air, moving forward and backwards, while screaming in glee.

Riders must be 36" to 48" (3ft – 4 ft) tall with a chaperone.

CANNON BALL

Ride to new heights before safely free falling to the ground. We dare you to try and not scream in amusement.

This is a drop style ride. Riders must be able to sit upright, and be restrained by a shoulder harness.

ELEPHANT

Take flight in the air on these fun and friendly elephants. Perfect for the first time carnival fan.

Riders must be over 36" (3 ft) unless accompanied by an adult.

MONKEY MAZE

Lose yourself in this jungle inspired fun house.

Perfect for children and adults of all ages.
Riders must be taller than 27" (2'3").

Rides are subject to change at any time without notice.
Safety is our primary concern. We ask all guests to respect the rules of each ride.
Each ride has been colour coded based on the Ride Smart Rules.
